

GIVE the GIFT *of* READING

For a minimum donation of just \$25 you can add a book to the library's collection - such a meaningful and lasting gift! Contributions to the library may be made in memory or honor of a loved one. A book will be added to the library's collection with a special acknowledgement inside the front cover. You can even elect to be the first person to check out the newly added item! You may select an area of interest for your tribute book, or our library staff would be happy to choose a quality item for you. We can also send a card to the honoree acknowledging your gift in their name.
