

## ***Tribute Books***

Contributions to the library may be made in memory, honor, or celebration of a loved one, or to commemorate a special occasion. For a minimum gift of \$25, a new book will be added to the collection with a bookplate acknowledging your special gift. You may select an area of interest for your tribute book, or our library staff would be happy to choose a quality item for you. We can also send a card to the honoree acknowledging your gift in their name. If you prefer to purchase something from the Library's Wish List, please contact the Library Director at 724.695.8150.
